RE: Funding Request for Member Libraries

Dear Commissioners:

As a (the) _____ (trustee, patron, partner, volunteer, director, staff) of the _____ Library, I am writing you in support of the recommendation for increased funding for the member libraries of Chester County Library System. The Funding Task Force provided the analysis for why the increase to approximately \$1.4 million would support the personnel, materials, facilities, programs and technology a quality library needs to be sustainable.

Increased funding will enable us to continue providing our important services and programs. In particular, our library needs this additional funding to

_____. (Add important reasons why the additional funding is important to your library.)

Thank you in advance for your consideration of this proposal. If I can answer any questions, please contact me.

Sincerely yours,
